

§ 1703.310

terms of the direct loan or insured loan being deferred. The deferment will not accrue interest.

(b) In the case of deferments made to enable the borrower to provide community development assistance, technical assistance to businesses, and for other community, business, or economic development projects not included in paragraph (a) of this section, the deferment will be repaid over a period of 120 months, in equal installments, with payments beginning on the date of the deferment and continuing in such a manner until the total amount of the deferment is repaid. The deferment payments will be made on either a monthly or quarterly basis depending on the existing repayment terms of the direct loan or insured loan being deferred. The deferment will not accrue interest.

(c) The maturity date of a loan may not be extended as a result of a deferment.

(d) If the required payment is not made by the borrower or received by the Administrator when due, the Administrator will reduce the borrower's cushion of credit account established under this subpart in an amount equal to the deferment payment required.

(e) The balance in a borrower's cushion of credit account shall not be reduced by the borrower below the level of the unpaid balance of the payment deferred.

§ 1703.310 Environmental considerations.

Prospective recipients of funds received from the deferment of loan payments are encouraged to consider the potential environmental impact of their proposed projects at the earliest planning stage and plan development in a manner that reduces, to the extent practicable, the potential to affect the quality of the human environment adversely.

§ 1703.311 Application procedures for deferment of loan payments.

(a) A borrower applying for a deferment must:

(1) Submit a certified board resolution to the Administrator requesting a deferment of principal and interest. The resolution must:

7 CFR Ch. XVII (1–1–08 Edition)

(i) Be signed by the president or vice president of the borrower;

(ii) Contain information on the total amount of deferment requested for each specific project;

(iii) Contain information on the type of project and the length of deferment requested as defined in § 1703.309; and

(iv) Specify which officer of the borrower has been given the authority to certify to those matters required in this section;

(2) Submit certification by the appropriate officer to the Administrator that the proposed project will not violate the limitations set forth in § 1703.306 and disclose all information regarding any potential conflict of interest or appearance of a conflict of interest that would allow the Administrator to make an informed decision;

(3) Submit certification by the appropriate officer to the Administrator that an investment in the rural development project will be made by the borrower in an amount equal to the deferred debt service payment;

(4) Submit certification by the appropriate officer to the Administrator that the amount of the deferment will not exceed 50 percent of the total cost of the project for which the deferment is provided;

(5) Submit certification by the appropriate officer to the Administrator that it will make a cushion of credit payment necessary to satisfy the requirement of § 1703.305(a);

(6) Submit certification by the appropriate officer to the Administrator that it will comply with § 1703.313 and provide documentation showing that its total investments, including the proposed investment, will not exceed the investment limitations specified in 7 CFR part 1717, Subpart N, Investments, Loans and Guarantees by Electric Borrowers, or 7 CFR Part 1744, Post Loan Policies and Procedures Common to Guaranteed and Insured Loans. The documentation must provide a list of each rural development project the borrower has invested in to date, including the investment amounts;

(7) Submit to the Administrator written identification of the direct loan(s) and/or insured loan(s) for which payments are to be deferred;

(8) Submit to the Administrator a written narrative which contains information regarding the proposed rural development or job creation project such as the manner in which the project will promote community, business, or economic development in rural areas, the nature of the project, its location, the primary beneficiaries, and, if applicable, the number and type of jobs to be created; and

(9) Submit to the Administrator a letter of approval from the state regulatory authority, if applicable, granting its approval for the borrower to defer direct loan payment(s) and/or insured loan payment(s) and invest the amount in a rural development project.

(b) The Administrator reserves the right to determine that special circumstances require additional data from borrowers before acting on a deferment. The Administrator also reserves the right to require, as a condition of approving a loan payment deferment pursuant to this subpart, that the borrower execute and deliver any amendments or supplements to its loan documents that may be necessary or appropriate to achieve the purposes outlined in §1703.300.

(c) The Administrator will decide whether the borrower is eligible for the deferment and will notify the borrower of the decision.

§ 1703.312 RUS review requirements.

Borrowers shall ensure that funds are invested in the rural development project as approved by RUS. The Administrator reserves the right to review the books and copy records of borrowers receiving loan payment deferments as necessary to ensure that the investments in the rural development project are in accordance with this subpart and the representations and purposes stated in the borrower's completed application. If an audit discloses that the amount deferred was not used for the purposes stated in the completed application, the borrower shall be required to promptly repay the amount deferred and the benefits of the deferment to the borrower will be recaptured by RUS. The borrower is responsible for ensuring that disbursements and expenditures of funds covering the investment in the rural de-

velopment project are properly supported with certifications, invoices, contracts, bills of sale, cancelled checks, or any other forms of evidence determined appropriate by the Administrator and that such supporting material is available at the borrower's premises for review by the RUS field accountant, borrower's certified public accountant, the Office of Inspector General, the General Accounting Office and any other accountant conducting an audit of the borrower's financial statements for this rural development program.

§ 1703.313 Compliance with other regulations.

(a) Investments in a rural economic development project made by an electric borrower under this subpart are subject to the provisions of 7 CFR part 1717, Subpart N, Investments, Loans and Guarantees by Electric Borrowers.

(b) Investments in a rural economic development project made by a telephone borrower under this subpart are subject to the provisions of 7 CFR Part 1744, Post Loan Policies and Procedures Common to Guaranteed and Insured Loans.
